BUYER APPROVED QUALITY SYSTEM - REPAIR STATION REQUIREMENTS

This contract is subject to Seller's existing Buyer approved quality system. Buyer's representatives and/or the Federal Aviation Administration, or if Seller is located in a country other than the United States of America, Seller's equivalent regulatory agency, may inspect and evaluate Seller's facilities, systems, data equipment, personnel and all completed articles processed under this contract. Seller shall include with shipment a signed certificate of conformance for each article.

As required by Federal Aviation Administration Regulation 14CFR145.217, the Senior Manager of Buyer's repair station or designee remains directly in charge of the work performed by Seller under this contract. Matters requiring instruction or direction outside of Seller's Buyer approved processes must be directed to Buyer's authorized Procurement Representative for coordination.
