Stress Relief - rev 5/23/01

- (a) The parts covered by this contract require stress relief prior to cleaning and plating. Seller shall perform stress relief per the specification listed in Buyer's contract and report the following data:
- (1) Date and time into bake oven.
 - (2) Date and time out of bake oven.
 - (3) Actual bake temperature.
- (b) This data shall be submitted as a part of Seller's certificate of conformance/compliance.
