

**Q862**      **The Boeing Company Quality Surveillance - rev 3/6/01**

The Seller shall notify The Boeing Company's Quality Engineering at least five (5) working days prior to starting any processing or manufacturing in conjunction with this contract. All contractual quality system and product requirements are subject to review by The Boeing Company's Quality Representative. Upon The Boeing Company's request, the Seller must provide reasonable facilities and assistance including all Quality records and related data for contracted items. The Boeing Company Quality Engineering Representative will coordinate and identify the mandatory Boeing Company surveillance points at the earliest practical time convenient to both parties.
