

- 1. FORMATION OF CONTRACT.** This proposed purchase contract, which incorporates by reference these General Provisions and all other terms and conditions set forth in this proposed purchase contract (collectively, the “Contract”), is Buyer’s offer to purchase the goods and any related services and/or other deliverables (collectively, “Goods”) described in this offer. Acceptance is strictly limited to the terms and conditions in this offer. Unless specifically agreed to in writing by Buyer’s Authorized Procurement Representative, Buyer objects to, and is not bound by, any term or condition that differs from or adds to this offer. Seller’s commencement of performance or acceptance of this Contract in any manner shall conclusively evidence acceptance of this Contract as written. Seller’s provision of Goods shall be governed solely by this Contract. Buyer and Seller are referred to herein as a “Party” or collectively as the “Parties.”

Except as authorized herein, no amendment or modification of this Contract shall bind either Party unless it is in writing and is signed by the authorized representatives of the Parties.

## **2. SCHEDULE**

- a. Time is and shall remain of the essence in the performance of this Contract and Seller shall strictly adhere to the shipment or delivery schedules specified in this Contract. Failure to deliver in accordance with such schedules, if unexcused, shall constitute a material breach of this Contract. In the event of any anticipated or actual delay, including but limited to delays attributed to labor disputes, Seller shall: (i) promptly notify Buyer in writing of the reasons for the delay and the actions being taken to overcome or minimize the delay; (ii) provide Buyer with a written recovery schedule; and (iii) if requested by Buyer, ship via air or other expedited routing, at no additional cost to Buyer, to avoid or minimize delay to the maximum extent possible.
- b. Seller shall not deliver Goods prior to the scheduled delivery dates unless authorized in writing by Buyer’s Authorized Procurement Representative.

## **3. PACKING AND SHIPPING**

- a. Seller shall pack Goods so as to prevent damage and deterioration. Unless otherwise set forth in this Contract, Seller shall package the Goods in accordance with the requirements of Boeing Document D37522-6 “Supplier Packaging”. Buyer may charge Seller for damage to or deterioration of any Goods resulting from improper packing or packaging.
- b. If this Contract specifies FOB destination (place of delivery), then in addition to any other shipping instructions, Seller shall forward Goods freight prepaid. Seller shall make the transportation arrangements, pay the shipping costs, and remain responsible for Goods until Goods are delivered and Buyer takes possession at the destination.
- c. If this Contract specifies FOB origin (place of shipment), then in addition to any other shipping instructions, Seller shall forward Goods collect. For Goods shipped within the United States, Seller shall make no declaration concerning the value of Goods shipped except on Goods where the tariff rating is dependent upon released or declared value. In such event, Seller shall release or declare such value at the maximum value within the lowest rating. Seller shall ship Goods in accordance with the provisions set forth in the Boeing Domestic Shipment Routing Guide to be accessed through Buyer’s supplier portal at <https://portal.exostar.com/>. Upon Buyer’s request, Seller shall identify packaging charges showing material and labor costs for container fabrication.
- d. Seller shall provide with each container shipped under this Contract an Advanced Shipping Notice (“ASN”). For each container shipped, Seller shall provide two (2) readable copies of the ASN barcode as follows: one (1) copy is to be securely affixed to the outside of each container and one (1) copy is to be loose inside each container. Non-conforming shipments are subject to rejection and repackaging at Seller’s expense. Instructions and guidelines related to the ASN process can be found on the Boeing Supplier Portal. Seller shall access by selecting the “Enterprise ASN Instructions” hyper-link under the header “Exostar Resources”. A copy of these instructions can also be found at <https://www.exostar.com/>.

## **4. CHANGES**

- a. Buyer’s Authorized Procurement Representative may, without notice to sureties and in writing, direct changes within the general scope of this Contract in any of the following: (i) technical requirements and descriptions, specifications, statement of work, drawings or designs; (ii) shipment or packing methods; (iii) place of delivery, inspection or acceptance; (iv) reasonable adjustments in quantities or delivery schedules or both; (v) amount of Buyer-furnished property; (vi) terms and conditions of this Contract required to meet Buyer’s obligations under U.S. Government prime contracts or subcontracts; and, if this Contract includes services, (vii) description of services to be performed; (viii) time of performance (e.g., hours of the day, days of the week, etc.); and (ix) place of performance. Seller shall comply promptly with such direction. Except for the rights granted to Buyer under this Article, a change pursuant to this Article shall not give rise to nor authorize any other modification of or amendment to the terms and conditions of this Contract.
- b. If such change increases or decreases the cost or time required to perform this Contract, the Parties shall negotiate an equitable adjustment in the price or schedule, or both, to reflect the increase or decrease. Buyer shall modify

this Contract in writing accordingly. Unless otherwise agreed in writing, Seller must assert any claim for adjustment to Buyer's Authorized Procurement Representative in writing within twenty-five (25) days, and deliver a fully supported proposal to Buyer's Authorized Procurement Representative within sixty (60) days, after Seller's receipt of such direction. Buyer may, at its sole discretion, consider any claim regardless of when asserted. If Seller's proposal includes the cost of property made obsolete or excess by the change, Buyer may direct the disposition of the property. Seller shall provide Buyer supporting data in sufficient detail for Buyer to verify the amount of Seller's claim. Failure of the Parties to agree upon any adjustment shall not excuse Seller from performing in accordance with Buyer's direction.

- c. If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Authorized Procurement Representative promptly in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer's Authorized Procurement Representative, Seller shall take no action to implement any such change.
- d. Notwithstanding the foregoing provisions of this Article, the estimated or target cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance thereof shall not be increased or deemed to be increased except by specific written modification of this Contract indicating the new Contract estimated cost and the new amount allotted to this Contract. Until such modification is made, Seller shall not be obligated to continue performance or incur costs beyond the point established in the "Reimbursement Limitation" Article of this Contract.

## **5. SUSPENSION OF WORK**

- a. Buyer's Authorized Procurement Representative may, by written order, suspend all or part of the work to be performed under this Contract for a period not to exceed one hundred (100) days. Within such period of any suspension of work, Buyer shall: (i) cancel the suspension of work order; (ii) terminate this Contract in accordance with the "Termination for Convenience" Article of this Contract; (iii) cancel this Contract in accordance with the "Cancellation for Default" Article of this Contract if grounds for default exist; or (iv) extend the stop work period.
- b. Seller shall resume work whenever a suspension is canceled. Buyer and Seller shall negotiate an equitable adjustment in the price or schedule or both if: (i) this Contract is not canceled or terminated; (ii) the suspension results in a change in Seller's cost of performance or ability to meet the delivery schedule; and (iii) Seller submits a claim for adjustment within twenty (20) days after the suspension is canceled.

## **6. TERMINATION/CANCELLATION**

- a. Federal Acquisition Regulation ("FAR") 52.249-6 (May 2004), "Termination (Cost Reimbursement)," is incorporated by reference, except that the term "Government" means "Buyer," the term "Contracting Officer" means "Buyer's Authorized Procurement Representative," the phrase "1 year" is deleted each place it occurs and replaced by the term "six months," paragraphs (e) and (j) are deleted, and subparagraph (a)(2) is deleted in its entirety and replaced with the following:

"(2) Buyer may cancel the whole or any part of this Contract in the event of:

- (i) Seller's default ("default" includes failure to make progress in the work so as to endanger performance) of any or all of the requirements of this Contract and within ten (10) days after receipt of notice from Buyer specifying the failure does not cure the failure or provide Buyer with a written detailed plan adequate to cure the failure if such failure reasonably cannot be cured within such ten (10) days and such plan is acceptable to Buyer's Authorized Procurement Representative; or
- (ii) in the event of suspension of Seller's business, insolvency of Seller, institution of bankruptcy, liquidation proceedings by or against Seller, appointment of a trustee or receiver for Seller's property or business or any assignment, reorganization or arrangement by Seller for the benefit of creditors."

- b. Subparagraph (b) is deleted in its entirety and replaced with the following:

"(b) Buyer's Authorized Procurement Representative shall terminate or cancel the Contract in accordance with paragraph (a) of this 52.249-6 clause by delivering to Seller a Notice of Termination or Notice of Cancellation specifying whether termination or cancellation is pursuant to subparagraphs (a)(1) or (a)(2), the extent of the termination or cancellation, and the effective date. If, after cancellation under subparagraph (a)(2)(i), it is determined that Seller was not in default or that Seller's failure to perform or to make progress in performance is due to causes beyond the control and without the fault or negligence of

Seller as set forth in the Force Majeure Article, the rights and obligations of the Parties shall be the same as if the termination was for the convenience of Buyer.”

c. Subparagraph (h)(4) is deleted in its entirety and replaced with the following:

“(4) A portion of the fee payable under the Contract, determined as follows:

- (i) If the Contract is terminated under subparagraph (a)(1) of this 52.249-6 clause, the settlement shall include a percentage of the fee equal to the percentage of completion of work contemplated under the Contract, but excluding subcontract effort included in subcontractors’ termination proposals, less previous payments for fee.
- (ii) If the Contract is cancelled under subparagraph (a)(2) of this 52.249-6 clause, the total fee payable shall be such proportionate part of the fee as the total number of articles (or amount of services) delivered to and accepted by the Government is to the total number of articles (or amount of services) of a like kind required by the Contract.”

**7. FORCE MAJEURE.** Seller shall not be liable for excess re-procurement costs pursuant to the “Termination/Cancellation” Article of this Contract, incurred by Buyer because of any failure to perform this Contract under its terms if the failure arises from causes beyond the control and without the fault or negligence of Seller. Examples of these causes are: (a) acts of God or of the public enemy; (b) acts of the Government in either its sovereign or contractual capacity; (c) fires; (d) floods; (e) epidemics; (f) quarantine restrictions; (g) strikes; (h) freight embargoes; and (i) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of Seller. If Seller’s failure is caused by the failure of a subcontractor of Seller and if such failure arises out of causes beyond the reasonable control of both, and if such delay is without the fault or negligence of either, Seller shall not be liable for excess re-procurement costs unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Seller to meet the required delivery schedules. Seller shall notify Buyer in writing within ten (10) days after the beginning of any such cause(s). In all cases, Seller shall use reasonable efforts to avoid or minimize all such failures, including exercising work-around plans or obtaining Goods from other sources.

- b. Whenever Seller receives, either before or after shipment of Goods under this Contract, notification that any Goods, including any component, part, or material thereof, is the subject of a Government-Industry Data Exchange Program (“GIDEP”) alert, Seller shall promptly furnish such information to Buyer. To the extent this Contract, or any modification thereof, exceeds the threshold for submission of certified cost or pricing data in FAR 15.403-4 and is not otherwise exempt from the certified cost or pricing data requirements in accordance with FAR 15.403-1(b), Seller shall provide to Buyer for this Contract or modification to this Contract, as the case may be, the certified cost or pricing data required by Table 15-2 of FAR 15.408 in the format set forth in the Supplier Proposal Adequacy Checklist, Form X35298. Prior to Buyer taking action to recover such Lost Fee, Buyer shall provide written notice to Seller. Such notice shall set forth the basis for Buyer's assertion that Seller was responsible for the Lost Fee. Upon receipt of such notice, Seller shall have fifteen (15) business days to provide Buyer with a written response. Buyer shall then have an additional fifteen (15) business days to evaluate and consider Seller's response. ## **20. CONFIDENTIAL, PROPRIETARY, AND TRADE SECRET INFORMATION AND MATERIALS**

- a. Buyer and Seller shall each keep confidential and protect from unauthorized use and disclosure all (i) confidential, proprietary and/or trade secret information of a Party or third party disclosed by a Party; (ii) software provided under this Contract in source code form or identified as subject to this Article; and (iii) tooling identified as subject to this Article: in each case that is obtained, directly or indirectly, from the other in connection with this Contract or Buyer's contract with its customer, if any, (collectively referred to as "Proprietary Information and Materials"). Proprietary Information and Materials excludes information that is, as evidenced by competent records provided by the receiving Party, known to the receiving party or lawfully in the public domain, in the same form as disclosed hereunder, disclosed to the receiving Party without restriction by a third party having the right to disclose it, or developed by the receiving Party independently without use of or reference to the disclosing Party's Proprietary Information and Materials.
- b. Buyer and Seller shall use Proprietary Information and Materials disclosed by the other Party only to perform and for the purpose of this Contract, other contracts between the Parties, and Buyer's contract with its customer, if any and shall not disclose such Proprietary Information and Materials to any third party except as expressly set forth herein. - c. Seller may disclose Proprietary Information and Materials of Buyer to its subcontractors as required to perform this Contract, if Seller includes a suitable restrictive legend on such disclosures, and if each such subcontractor has agreed in writing to obligations no less restrictive than those imposed upon Seller under this Article. Seller shall be liable to Buyer for any breach of such obligation by such subcontractor.
- d. A Party may disclose received Proprietary Information and Materials in response to a subpoena or court order, if the receiving Party has used reasonable efforts to give the disclosing Party advance written notice of such requirement to allow the disclosing Party to: (i) seek a protective order or other remedy; (ii) consult with respect to resisting or narrowing the scope of such requirement; or (iii) modify or waive compliance with this Article. If such protective order or remedy is not timely obtained, the receiving Party shall use commercially reasonable efforts to disclose only Proprietary Information and Materials legally required to be disclosed and to require confidential treatment of such disclosure.
- e. Upon Buyer's request, and in any event upon the completion, termination or cancellation of this Contract, Seller shall return to Buyer all of Buyer's Proprietary Information and Materials and all materials derived therefrom, unless Buyer specifically directs otherwise in writing. Seller shall not dispose of (as scrap or otherwise) any Goods, parts or other materials containing, conveying, embodying or made in accordance with or by reference to any Buyer Proprietary Information and Materials without rendering them unusable. Further, Seller shall not, without a separate license agreement or other written approval from Buyer, make, use, or sell any Goods, parts or materials containing, conveying, embodying or made in accordance with or by reference to Buyer's Proprietary Information and Materials of Buyer except as required to perform this Contract. Prior to disposing of such Goods, parts or other materials as scrap, Seller shall render them unusable.
- f. The provisions of this Article are effective notwithstanding of any restrictive legends or notices on Proprietary Information and Materials and shall survive the completion, termination or cancellation of this Contract. Buyer shall have the right to audit Seller's compliance with this Article.
- g. Seller agrees that any technical data and computer software furnished to Buyer as a required deliverable under this Contract will be free from confidential, proprietary, or restrictive-use markings that are not expressly permitted by applicable FAR or other U.S. Government agency FAR supplement clauses incorporated in this Contract ("Nonconforming Markings"). Buyer may notify Seller of a Nonconforming Marking, and if Seller fails to remove or correct such marking within sixty (60) days after such notification, Buyer may, at Seller's expense, correct any such Nonconforming Marking.

**21. INTELLECTUAL PROPERTY INDEMNITY.** Seller shall indemnify, defend and hold harmless Buyer and its customer from all claims, suits, actions, awards (including, but not limited to, awards based on intentional infringement of patents), liabilities, damages, costs and attorneys' fees related to the actual or alleged infringement of any intellectual property right or misappropriation or wrongful use of information or documents, and arising out of or related to the use, manufacture, reproduction, sale or other distribution of Goods by Buyer or its customer. Buyer and/or its customer shall timely notify Seller of any such claim, suit or action. If Seller does not or cannot execute instruments or assist Buyer as described above, Seller hereby irrevocably appoints Buyer and any of Buyer's officers and agents as Seller's attorney in fact to act on Seller's behalf and instead of Seller,

with the same legal force and effect as if executed by Seller, with respect to executing any such written instruments.
